# I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

# V. PLAINTIFF'S CERTIFICATION AND WARNINGS

By signing below, I certify to the best of my knowledge, information, and belief that: (1) the complaint is not being presented for an improper purpose (such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation); (2) the claims are supported by existing law or by a nonfrivolous argument to change existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Federal Rule of Civil Procedure 11.

I agree to notify the Clerk's Office in writing of any changes to my mailing address. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.

Each Plaintiff must sign and date the complaint. Attach additional pages if necessary. If seeking to proceed without prepayment of fees, each plaintiff must also submit an IFP application.
